## LARGE SUBSCRIPTIONS INJECT ENTHUSIASM IN WAR STAMPS DRIVE TODAY

Sales Amounting to Several Thousand Dollars Are Reported at Opening of Campaign

WORKERS GATHER MOMENTUM

Success at Outset is Expected to Put County Over Its Quota of Nearly \$50,000

WOMEN TO TAKE A BIG PART

Districts in Rushville Township and Captains of Canvassers Are Announced

Unbounded enthusiasm was injected into the drive in the sale of War Savings stamps when, within the first hour of the campaign which opened with full force this morning, sales amounting to several thousand dollars, were reported.

In every part of the county, canvassers began working this morning and the momentum which was gathered in the first twelve hours of their work is expected to carry the county to a successful over-subscription within a few days. The county quota of almost \$50,000 has been divided equally among the townships.

The greatest optimism concerning the campaign existed at the final meeting preliminary to the drive which was held Saturday afternoon in the sheriff's office of the courthouse. Large representations from every township with the exception of Washington, Walker and Center were in attendance and final instructions were given to the workers.

In the absence of the county chairman, the meeting was presided over by T. M. Green, county chairman of the Defense council. Douglas Morris, chairman of the Rushville township organization, delivered the opening address, making an appeal for the entire county to get behind the movement.

"Rush county has gloriously done her part in every campaign in regard to war work," declared the speaker, "and this, one of the most necessary of all, should not be allowed to lag. The sale of stamps since the first of the year has been far below the quota placed for the county and since Uncle Sam is giving the county residents an opportunity to redeem themselves in the present drive, I am sure the expected response will be forthcoming."

G. P. Hunt, postmaster for Rush county and commander-in-chief of the distribution of the stamps, explained in detail the sale of both Thrift and War Savings stamps, using statistics to show Rush county's standing in the district as well as the state.

Reports of organizations from various townships were given by the township chairmen and the work women will have in the campaign was also explained. The women's committee is planning a drive which they expect to complete with the same success which marked the Liberty Loan drive. Their headquarters have been located in the courthouse.

Selections will find the opening campaign not nearly so difficult to create as former similar drives because of the fact that they will not be forced to take money with the distribution of pledge cards. According to the method adopted in Rush county, the stamps are delivered by the postmen who also collect the payments.

The executive committee for Rush county for the drive is composed of Douglas Morris, Will M. Sparks and A. L. Riggs and their organization

### More Than One-Fifth Of War Stamp Quota Is Raised.

More than one-fifth of the county's War Savings Stamp quota was reported raised this afternoon, which gave a great impetus to the drive to sell almost \$50,000 worth of the government stamps this week. Subscriptions made today amounted to \$10,000. The fact that statistics show that approximately 15,000 persons in Rush county have not invested in government securities reveals that there is plenty of opportunity for the county to take its allotment easily. The subscriptions reported this afternoon follows:

Rush Co. Nat. Bank	\$1,000
Rushville Nat. Bank	\$1,000
Peoples National Bank	\$1,000
Peoples Loan & Trust Company	\$1,000
Bank of Carthage	\$1,000
Dr. O. W. Richter, Carthage	\$1,000
Mays National Bank	\$1,000
New Salem Bank	\$1,000
Manilla Bank	\$1,000
Milroy Bank	\$1,000
Farmers Trust Company	\$500
Arlington Bank	\$400

for the entire township is made up of excellent workers who began the work in their districts this morning. The township districts and the captains are as follows:

District 1—East of Main and south of Third street and bounded by the mill race. Capt. Will Spivey.

District 2—East from Main and Third street to the mill race. Clark Avenue and Fifth street to Main, thence south to the beginning. Capt. Warder Wyatt.

District 3—East from Seventh and Main street to the Ft. Wayne road taking in the district to the mill race, thence south to center of Clark Avenue to Fifth and Main street and north on Main to the beginning. Capt. Will Inlow.

District 4—From intersection of Eighth and Main streets south to Seventh, east to the Ft. Wayne road, north Eighth street, thence west on Eighth street to place of beginning. Capt. Wilbur Stiers.

### EDUCATION IS A TALENT TO BE USED

The Rev. J. T. Aikin Emphasizes Its Importance Now in Baccalaureate Address Sunday Night

BEING GOOD IS ESSENTIAL

Unconscious Influence Exerted Most Important—Going to College Not Running From Duty

"Your education has been placed in your hands as a talent," said the Rev. John T. Aikin last night at the Main Street Christian church addressing the high school graduating class at the annual baccalaureate service. "and you should make the best of it. But most important of all is this unconscious influence of which I have been speaking. It all rests with you what it shall be. You may shape it as you will. I might exhort you to do good, but most essential of all is to be good. Let it be your highest aim to reproduce in your life the elements of Him, that perfect one and then the light will shed from you in fragrance and exert a healing influence."

The Rev. Mr. Aikin discussed the unconscious influence of every life as compared to the conscious influence and urged the graduates to lead such a life that the shadow they cast may be beneficial.

In introducing the speaker, Sup't. J. H. Schell declared this year's class was an unusual one, not only because seventy-five per cent of them planned to go to college but because of other things which had been brought about due to the unusual conditions of the times. He said the class had invested \$200 in war securities and had taken an active interest in all patriotic movements. As compared to its record Sup't. Schell recalled that only fifty

### SOLDIER-ORATOR TO TALK

Serg't. W. S. McBirnie Will Speak for Salvation Army War Fund.

William S. McBirnie, who speaks at the M. E. church tomorrow night in the interest of the Salvation Army war fund, is represented to be the best soldier orator who ever spoke in Indiana. The highest praise was given him when he spoke in Indianapolis recently. Serg't. McBirnie will relate of his experiences gained in two years of service in the trenches, during which he went over the top many times.

### ASKS ENACTMENT NEW TAX MEASURE

President, Linking Appeal With Resumption of German Drive, Wants Politics Tabooed

BIG BOND ISSUE IN THE FALL

Sixty Per Cent of New Revenue to be Raised by This Method and Forty by Taxation

(By United Press.)

Washington, May 27.—Linking the appeal with the resumption of the German drive on the west front, President Wilson today demanded that congress cast off political thought and turn immediately to the work of enacting the tax measure this session.

Turning from his manuscript in concluding a forceful address, the president said:

"As I was leaving the white house I was brought the news that Germany had apparently resumed her long expected drive on the west front. Surely you can realize how that solemnized my feelings as I came to you and strengthened that purpose that I have tried to express."

The president's policy contemplates raising 40 per cent of new revenue by taxation and 60 per cent by bonds. On this basis the new tax bill which is expected to raise \$4,000,000,000, would incur a six billion dollar bond issue in the fall.

Following the president's message congress voiced approval of it.

The president declared that "we shall naturally turn to incomes and luxuries for additional taxes."

"The consideration that dominates every other now, and makes every other seem trivial is the winning of the war," he said. "Not only are we in the midst of the war but

## 3-YEAR-OLD BOY IS DEAD FROM BURNS

Lowell McKee, Son of Mr. and Mrs. Will McKee Fatally Burned When House Catches Fire

GASOLINE STOVE EXPLODES

Mrs. McKee Succeeds in Rescuing Other Two Children But Lowell is Cut Off From Escape

DEATH OCCURS IN AN HOUR

Father Sustains Serious Injuries in Attempting to Save Little Boy's Life

Lowell McKee, three-year-old son of Mr. and Mrs. Will McKee, is dead and their home three miles southwest of Orange partly ruined as the result of a fire which occurred this morning shortly after seven o'clock.

The fire is believed to have resulted from an explosion of a gasoline stove which was placed in the kitchenette in the rear of the house. The curtain at the window is believed to have caught fire and blown against the gasoline tank, thus causing the explosion.

At the moment of the explosion Mrs. McKee was in the yard, and hurrying into the house, succeeded in rescuing two of the children, Geraldine, age one year, and the oldest child, Donald, age five. By the time she had reached the kitchen for the third child flames had enveloped the entire room and the child had gone into the room where the fire started and was unable to make his escape. He was finally rescued by his parents through a window but was burnt so badly that death occurred an hour later.

Will McKee is seriously injured from the effects of burns which he sustained in the attempted rescue of the child and although the physicians have not discovered the extent of his injury, it is not believed that his injuries are internal. His face and hands are badly burnt. Mrs. McKee and the two children, however, escaped without injury.

The entire back part of the home was ruined by the flames and all of the furnishings in the rooms at the rear of the house destroyed. The only damage done to the front part of the residence was by the smoke.

The funeral will be held at the Orange Christian church Wednesday afternoon at 2:30 o'clock and burial will take place in East Hill cemetery.

## MACHINES COLLIDE AT STREET CORNER

Gurney Cohee's Car is Damaged in Collision With Dr. R. J. Hall's Machine Sunday

NONE OF OCCUPANTS IS HURT

The machine driven by Gurney Cohee collided with the automobile of Dr. R. J. Hall at the corner of Eleventh and Perkins street yesterday morning, badly damaging the front of the Cohee car although the occupants of both cars escaped without injury.

Mr. Cohee was making the turn from Perkins into Eleventh street when he came into contact with the Hall car which was being driven east in Eleventh street, at a high rate of speed. The radiator and both fenders on the Cohee car were bent and badly saved in but the car driven by Mr. Hall was only slightly damaged. There were two occupants in the Hall car and six in the Cohee car, none of whom was injured.

vived by his parents, two sisters,  
Carrie and Mary Louise, and one  
brother, Clarence. The funeral will  
be held at the residence tomorrow  
afternoon at two o'clock, in charge  
of Dr. D. Ira Lambert, and Burial  
will take place in East Hill cemetery,  
going faster and faster to the ports  
of France and England with regi-  
ment after regiment, thousand after  
thousand going to join them until  
the enemy's hosts be beaten and  
brought to a reckoning. There can  
be no pause or intermission until  
peace comes. The great enterprise  
on the contrast must be pushed with  
greater energy. The volume of our  
fight must steadily be enlarged until  
there can be no question as to re-  
sistance. Money must be given to  
the utmost if this is to be accom-  
plished. The people are ready to  
bear any burden or undergo any  
sacrifice necessary to win.

"The full will see America's great-  
est bond issue floated.  
"Politics is adjourned. Elections

**FOLEY'S HONEY AND TAR**  
Don't wait for a cold to attack you. Fight back. Attack it. Hit first, if  
you can.  
At the first indication of the presence of the enemy, get busy. Go  
right after him and keep right after him until you know posi-  
tively he has retreated and gone for good.  
**Watch — But Don't Wait**  
Don't be afraid of answering a false alarm. You never can  
tell what a cold will do when it gets a good start. So there's  
only good and no harm done when you stop a cold before it  
gets any start at all.  
It is far better to take a dose of safe and harmless cough medicine  
when you don't absolutely need it than it is to fail to take it when you  
do need it. Play safe and sure. It pays in the long run.  
**How to Attack Successfully**  
The best way to attack a cold is to take a few doses of Foley's Honey  
and Tar Compound. It quickly checks the cold and by its action builds  
up a strong defense. It coats the raw inflamed membranes with a sooth-  
ing, healing armor, stops the spread of inflammation, clears the air pas-  
sage, loosens the phlegm, eases the breathing and banishes the stuffed-up, wheezing condition.  
Foley's Honey and Tar Compound contains no opiates, is absolutely safe and harmless,  
and has been used in thousands of homes for many years to prevent and overcome coughs,  
colds, croup, whooping cough, influenza and bronchial troubles. In 2c, 5c and \$1.00 sizes.  
You get the original and genuine Honey and Tar Compound when you insist on Foley's.

**REO**  
**Had You  
Noticed This?**  
AT THIS YEAR'S SHOWS, the close  
observer—the buyer who understands  
and who therefore studies mechanical  
details—must have noticed the adop-  
tion of several features that had,  
theretofore, been almost exclusively  
Reo.  
FOR EXAMPLE, the separation of  
transmission from the rear axle by one  
group of makers—from the motor by  
another.  
YOU HAD HEARD a lot about the  
superiority of what they termed the  
"Unit" power plant or the combined  
rear axle and transmission.  
ISN'T IT STRANGE that those who  
most loudly proclaimed the merits of  
that combination are most vociferous  
in praise of the new individual unit  
plan!  
WE REO FOLK never did see any virtue  
in the idea of combining two compli-  
cated mechanisms. It only increased  
the complications.  
LOOKED SIMPLE — from the outside.  
But actually made every part more  
difficult to get at — every adjustment  
or repair the more expensive.  
IT'S THE OLD STORY of the folding  
bed that, in the day time looks like a  
piano. It makes no music—and is a  
poor place to sleep.  
ACCESSIBILITY is the main idea in the  
minds of Reo engineers.  
LOW UPKEEP is the direct result of  
that quality — the ease with which  
any part of a Reo can be reached,  
adjusted, or replaced.  
THIS REO SIX is the most accessible  
Six ever made. And, as a logical and  
inevitable result, it's cost of upkeep is  
almost unbelievably low.

## Better Health Due to Tanlac

Indianapolis Man Thanks Tonic for Putting Stomach Back in Shape

"I feel so much better since I've been taking Tanlac that I'm glad to come out publicly and recommend it for others," said L. M. Chalmers, 205 Liberty street, Indianapolis, employee of an insurance company.

"My stomach used to be in such bad condition that I'd rarely feel sick after eating," Mr. Chalmers continued. "Even drinking cold water would make me feel sick at my stomach and I couldn't keep much of my food down. I was very nervous and I felt weak and not to losing weight so rapidly that I knew I had to do something."

"I read about Tanlac and so I tried it."

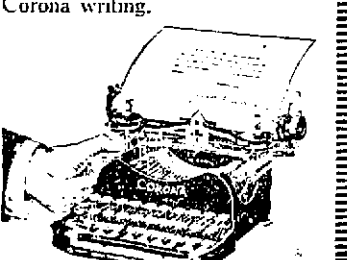

"I've taken two bottles of Tanlac now and I'm glad to say that the trouble with my stomach is all gone. I feel a lot better and it's all due to taking Tanlac."

"If you feel weak and all run down try Tanlac. It is an excellent system cleanser and strength builder. Tanlac is also good to put a bad stomach back in condition. You can get Tanlac at F. E. Wolcott's Drug Store or any good drug store."

### For Rheumatic Aches

## LIFE CONSISTS OF CAMPAIGN SERIES

Since Declaration of War America Has Finished One Campaign Only to Enter Into Another

NEW RED CROSS DRIVE JUNE 10

This Time Campaign Will be Made to Increase the Number of Enrollments Among Nurses

"Life these days is just one campaign after another. You will agree with me in this statement when I tell you the Red Cross begins another campaign on June 10."

The above paragraph from an announcement by D. C. Dougherty, director of publicity, Lake Division American Red Cross, is preliminary statement of plans for the beginning of a drive to increase the number of enrollments of eligible registered nurses for military service.

Mr. Dougherty says further that the surgeons general of the army and navy have asked for 25,000 nurses before January 1st, next. Of these, he says, 5,000 were to be supplied by June 1, and of this latter number 107 were to come from the Lake Division in the months of March, April, and May, and with the third month more than half gone a few more than 200 nurses have been enrolled, leaving a considerable task to be performed to secure the other approximately 300.

It is reported by Mr. Dougherty that a similar condition obtains throughout the country. This campaign therefore will be not only to enroll but to persuade the public of the necessity of every one's assistance in helping to secure nurses for work at the front. Physicians, surgeons and hospitals, in particular, who have shown the most reluctance about letting nurses leave their home work must be convinced of the urgency of this call.

### FUNERAL SERVICES PAID

Soldiers Expenses up to \$50 Allowed By Government

Indianapolis, Ind., May 27.—For the benefit of relatives of men in the service of the government, Adjutant General Harry Smith today announced that the funeral expenses of all soldiers who die in service will be paid up to \$50. The person in charge of the funeral may procure this money from the war risk bureau at Washington upon written application accompanied by an itemized account and receipted bill.

### WOMEN'S WOES

Rushville Women Are Finding Relief at Last

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties, in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with aching pains and many aches from kidney ills. Keeping the kidneys well has spared thousands of women much misery. Read of a remedy for kidneys only that is endorsed by people you know.

Mrs. Lizzie Boren, 840 W. 9th St., Rushville, says: "About six years ago I began to have trouble with my kidneys. What bothered me the worst was my kidneys acting irregularly and they showed in a number of ways they were badly disordered. Doctors said I had gravel. I heard how someone else had been cured by Doan's Kidney Pills so I got a box at Wolcott's Drug Store. They helped me at once, and after I had taken four boxes the pain had left and I felt ever so much better."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Boren had. Foster-McBarn Co., Mfgs., Buffalo, N. Y. (Adv.)

## PAT MYLOT, FORMER LOCAL MAN, IS DEAD

Dies at His Home in Peru Sunday And Remains Will be Brought Here For Burial Tomorrow

LIVED IN POSEY TOWNSHIP

The remains of Pat Mylot, formerly of this county, who died yesterday at his home in Peru, will arrive here tomorrow afternoon at 3:55 over the C. I. & W. and will be buried in the Catholic cemetery. Mr. Mylot, who was about 65 years old, suffered an attack of la grippe last spring and never fully recovered. Heart trouble developed and caused his death.

Mr. Mylot lived in Posey township, and left there about twenty-eight years ago. He is survived by the widow, two daughters and five sons. The widow is a sister of Mrs. John McCoy of this city, who has been at the bedside for several days.

## EDWARD S. CRIST TO BE BURIED HERE

Husband of Former Rushville Woman, Ruby Riley, Expires at Chicago of Blood Poisoning

BODY ARRIVES HERE TODAY

Edward S. Crist, of Chicago, died yesterday morning at 7:30 and his body was brought to this city this afternoon for burial in the East Hill cemetery.

The deceased who was well known in this city, had been suffering from blood poisoning and during the past seven weeks his condition had been such that no hope for his recovery was held out. He is survived by his wife, formerly Miss Ruby Riley of this city and the remains were taken to the B. W. Riley residence in North Main street, from where the funeral services will be conducted some time tomorrow.

## PETTIJOHN IN WASHINGTON

Organizes Bureau Similar to Indiana Defense Councils

(By United Press.)

Indianapolis, Ind., May 27.—Because of the success of the speakers-bureau of the Indiana council of defense, J. J. Pettijohn, its organizer has gone to Washington for the summer to assist the committee on public information. He will have charge of the organization of similar bureaus in other states. Pettijohn working through the extension division of Indiana University, started the organization of the speakers' bureau immediately after the war broke out. The bureau now has 400 members and is filling an average of 500 engagements a month.

## MOTHER OF FORMER PASTOR

Mrs. L. J. Erickson Dies in New Zealand After Paralytic Stroke

Mrs. Louisa J. Erickson, mother of the Rev. Achimold Erickson, formerly a Rush county Methodist minister, died March 27 at the home of her brother, John R. Webb, in New Zealand, according to information which was received here.

The deceased was seventy-eight years of age and while her son had charge of a pastorate in Carthage visited at his home for some time. She is survived by four brothers, four sisters and one son. Death resulted from a paralytic stroke which she suffered two years ago.

## HANDS OFF RUSSIA

Washington, May 27.—The United States and the allies are agreed on the course to be pursued toward Russia—at least for the present. It will be a hands off military policy, while at the same time offering any active and possible. There will be no intervention now.

The ease of Shirley Gahimer against Julius Gahimer, for a divorce and alimony, has been dismissed in the circuit court by the plaintiff at her costs.

## U. G. BEAVER DIES OF URAEIC POISONING

Stock Dealer Dies Early This Morning at Indianapolis Hospital at Age of 58

BODY TO BE BROUGHT HERE

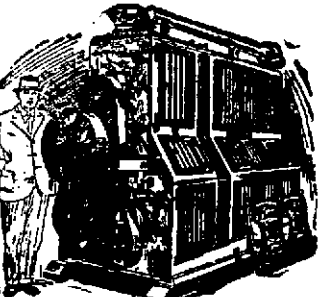

Ulysses G. Beaver, 58, one of Rush county's most prominent stock dealers, died early this morning at the Robert Long hospital in Indianapolis following a short illness of uraemic poisoning.

The deceased was taken to the Indianapolis hospital late last week for treatment. His condition, however, did not become critical until yesterday morning when his heart became affected. He is survived by two daughters, Mrs. Earl Clark and Miss Wilma Beaver and one son, Roy Beaver, all of Indianapolis. Three brothers, Richard, Earl of this county and Lewis Beaver of Muncie and his father, James Beaver of the Orange neighborhood, also survive.

The body will be brought to this city for burial, the arrangements for which have not been made.

## M'CORKLE SENT TO STATE PENAL FARM

Man Who Posed as Preacher Also Fined \$50 and Costs For Associating With Woman.

## MRS. MAPLE TO LEAVE COUNTY

Ben McCorkle, who posed as a preacher, was fined \$50 and costs and sentenced to serve six months in the state penal farm by Judge Sparks in the circuit court today, and Athia Maple, with whom McCorkle was charged with associating, was fined \$50 and costs and sentenced to serve six months in jail. The woman's sentence was suspended pending good behavior and with the understanding that she leave the county.

McCorkle and Mrs. Maple were arrested near Charlottesville May 14 on complaint of people of that vicinity. They were living together in a tent and a girl of Mrs. Maple's who was living with them, has been placed in a home. Mrs. Maple admitted her husband was living and had not been divorced.

## HIVE OF BEES SELLS FOR \$8 FOR RED CROSS

Auctioned Off on Court House Lawn Saturday Afternoon by Glen Miller

## SOME CORN IS ALSO SOLD

The hive of bees which was sold Saturday afternoon on the court house lawn for the benefit of the Red Cross, brought eight dollars and were purchased by B. F. Miller.

The bees were sold at auction by Glen Miller. The bees were hived last week by the county Sheriff Jones and were kept on the court house lawn until the time of their sale. A quantity of corn, which was donated by farmers at the time of the Red Cross egg drive, was sold in four lots and brought a good price. This sum will also be turned over to the county organization but as it was resold, the exact amount realized has not been discovered.

## RED CROSS DRIVE DRAWS TO A CLOSE

Final Reports Being Compiled at Headquarters Show Remarkable Oversubscriptions.

## 2 TOWNSHIPS BELOW MARKS

With the last day of the second Red Cross drive drawing to a close, final reports which were being compiled in the headquarters in the court house told of a most remarkably successful campaign which Rush county workers carried on during the week.

With the exception of Posey and Union townships all of the county canvassers not only succeeded in bringing their districts up to the mark but in most places were overwhelmingly successful and brought up a goodly oversubscription. The report from Posey township which was tendered today, indicated a total subscription of \$947. The report from Union township was not in at noon today. A complete and itemized report from each township, which will be completed this evening, will be sent into the state headquarters at once, thus closing successfully Rush county's second drive for mercy dollars.

A nine pound girl was born to the wife of William Baird of West Fifth street, Sunday.

Continued From Page 1

fronts along the thirty-five miles between Rheims and Soissons, extending east and south of the Picardy front.

Simultaneous attacks were directed between Loere and Voormezele.

British troops are now operating with the French in the line south of the present Picardy front, Haig reports showed today.

This is accepted as further indication that Gen. Foch's policy of co-ordination of allied forces is in effect.

With the British Army in France, May 27.—The German blow in Flanders got under way early today. It is reported to have progressed in spots but it is too early to show results.

The attack was a powerful blow against Scherbenberg where the French wrested considerable ground from the Germans a week ago.

The allied troops are fighting brilliantly.

The battle for Scherbenberg began with a heavy bombardment from the Ypres-Comins canal to the French frontier.

The artillery opened at dawn and in the midst of a haze covering the low lands the German infantry swept forward in waves.

## STOPS WHEN HORSE FALLS

The flight of a runaway team belonging to John Boyd of south of the city was suddenly terminated this morning when one of the horses fell down at the corner of Fourth and Perkins street. The horses started in the alley near Kramer's packing house while the driver, Omer Jordan, was loading a cake of ice. They ran across Main street and up the alley to Perkins, turning north when the wheel hit the corner of the Republica building. No damage was done.

# Buy W. S. S.

The first statewide War Savings Drive in Hoosierdom begins May 27th and ends June 3rd. During this week it is planned to sell \$7,500,000 in W. S. S.

At first glance it may seem that \$7,500,000 is a whole lot of money to expect to secure in War Savings in one week. But, let us pause and consider how little \$7,500,000 means to each of us when spread out over the entire state. It means \$2.50 in W. S. S. for every person in the state. This is all—just \$2.50 each.

Certainly we should be able to sell an average of \$2.50 per capita in one week. We can and we will—if every person in Indiana does his or her duty.

Of course some will buy more than \$2.50 worth—many will have to in order to keep the average up—but, many will want to. Because, buying W. S. S. is patriotic and, W. S. S. is the best investment the Government has ever offered.

## WATSON IS PRAISED FOR WAGE INCREASE

His Amendment Gives Annual Increase of \$200 to Clerks, Letter Carriers and Railway Clerks

### TENDS TO RETAIN ABLE MEN

Washington, May 27.—The United National Association of Post Office Clerks has, through its President John J. Champeau, sent a letter of thanks to Senator James E. Watson for the latter's successful efforts in securing an increase in wages of postal employees. National President Champeau said, "it affords me great pleasure to extend our sincere appreciation for the Watson substitute amendment as recommended by the Post Office and Post Roads Committee, and its adoption by the Senate. I can assure you that we are deeply grateful for your action in the matter."

The Watson amendment, as passed by the Senate, gives an annual increase of two hundred dollars in clerks, letter carriers and railway clerks. All employees receiving less than eight hundred dollars a year are given twenty per cent increase. Rural carriers using horses are given twenty per cent and rural carriers using motors on fifty mile route ten per cent. The increases given by the Watson amendment will tend to retain capable men in the postal service who have been hard hit by the high cost of living and who in the past few years have been leaving the service because their wages were not adequate.

## MILL OWNED BY I. & C. IS TO BE REOPENED

Will be Operated by W. H. Young & Son, of South of the City, Who Are Experienced

### WILL DO CUSTOM GRINDING

After having been closed for a short time, the mill located in South Morgan street, has been reopened by W. H. Young & Son, of south of the city.

Prior to reopening the mill many repairs and improvements were made by the Indianapolis and Cincinnati Traction Company, owners of the property, and the operators of the mill are now in an excellent position to do all kinds of custom grinding.

W. H. Young & Son have had extensive experience in this line of work, having been in the milling business elsewhere for a number of years. The ideal location and improved facilities of the mill makes it one of the best in the city.

## ASKED TO RENT TRACTORS

Farmers Urged to Help Neighbors And Aid Production

(By United Press.)

Lafayette, Ind., May 27.—Owners of tractors which are not in use daily during the summer should grant the use of these outfits to neighbors, who may be short of labor, as a patriotic duty.

This was urged today by the state food production committee. It stated that a reasonable rate of hire should be fixed which will allow the machines to make a return during otherwise idle periods and make it possible for others, for a reasonable expenditure to have full acreage and add to the nation's food supplies.

## FLAG RAISING AT FALMOUTH

Ceremony to be Held Decoration Day—Judge Springer to Speak

Besides the regular Decoration Day observance, which will be an outdoor meeting, a flag will be raised in Falmouth. Thursday afternoon May 30th, at 1:30 o'clock. The program, which has been arranged for the affair, consists of an address by Judge Raymond Springer of Connersville and musical selections by the Fairview high school orchestra, after which the participants will march in a body to the Fairview cemetery, for the decoration of graves.

## IRELAND RADICALS DENY PRESS REPORT

Revelation of Evidence Obtained by British Causing Widest Discussion in England

### PRO-GERMAN ACTIVITIES

Dublin, May 27.—Revelation of the evidence obtained by the British of a revolutionary movement in Ireland which culminated in arrests of Sinn Fein leaders caused widest discussion in here today.

Radicals bitterly denied the statement issued by the official press bureau as "one sided," and declare it is a conspiracy.

The evidence purport to link up the Sinn Fein movement with German agents, many of whom operated in America. Count Von Bernstorff, former ambassador to the United States, is involved. The statement covered alleged revolutionary and pro-German activities both before and after the eastern rebellion of 1916.

## IRISH ARMY MIGHT SETTLE CONTROVERSY

New Recruiting Operation Plans Are Under Way at Present—Volunteers Will be Enlisted

### EXPLAINS DELAY OF VISIT

(By United Press.)

Dublin, May 27.—The conscription question in Ireland may be settled by the formation of an Irish Army.

The new recruiting operation plans are under way, it was learned today. Recruiting stations will be established through the country while regiments will parade. Volunteers will be brigaded with the Irish brigades, thus forming an Irish army.

This reverses the previous attitude of the war office. The delay of the Lord Mayor in going to America, it was explained today, is due to his refusal to submit the British official documents which he intends to present to President Wilson.

## STEERS MACHINE INTO POLE

Gale Warrick in Automobile Accident Saturday Afternoon

Gale Warrick, nine-year-old son of Mr. and Mrs. Robert F. Warrick escaped injury Saturday when the automobile which he was driving ran into a telephone pole on the road four miles southeast of the city. The boy was driving at a comparatively high rate of speed when the accident occurred and although the front part of the machine was damaged to a certain extent, he escaped injury. The pole was broken into four pieces.

## U.S. DEPT. OF AGRICULTURE HOW TO GROW

### Carrots

Carrots may be sown about the time of the last killing frost in spring. The rows must be far enough apart for a horse to walk between them if horse cultivation is to be used. If for hand cultivation, the rows need not be more than 18 inches apart. An ounce of seed is sufficient for a 100-foot row, and the plants may be allowed to grow almost as thick as planted. The carrot may be used as an all-season crop, or may be sown as a late crop after peas, string beans, etc. These late-sown carrots will not reach a large size, but are good for soups, etc. Carrots should be harvested at the end of the growing season, and stored in bins, pits or in the storage room in the basement.—U. S. Department of Agriculture.

## A Purposeful Formula

Senreco's formula is not "just a little of this and a little of that."

It was devised with a definite object in view.

The object was to produce a tooth paste possessing medicinal as well as cleansing properties—a real cleanser that could be depended upon to remove tartar and keep mouth and gums healthy.

The ideal defined, our laboratories set about to determine the proper combination to produce it. Senreco is the result. It has been tried, tested and pronounced good by hundreds of the profession. Try a tube. A single tube will prove every claim. Will show why thousands today use and demand Senreco—and are satisfied with nothing less. All druggists and toilet counters. Large 2 oz. tube—25c.

### EDUCATION IS A TALENT TO BE USED

Continued From Page 1

per cent of the graduates of the Rushville high school in the last ten years had gone to college.

"Now they are holding positions of influence and trust," he said, referring to the high school graduates. "Many of them are in the service and hold responsible commissions as officers."

The choir of the Christian church provided a musical program and a male quartet sang. The Rev. Clyde S. Black pronounced the invocation and Dr. D. Ira Lambert the benediction.

The Rev. Mr. Aikin chose his text from the fifth chapter of Acts, 15th and 16th verses, describing the healing influence of the shadow cast by Peter and representing him as working miracles. Those upon whom it fell were healed.

"In itself the shadow had no healing power," declared the minister, "but it was the faith of the people which brought them health. These miracles were wrought with the unconscious exercise of this power, not that Peter was unconscious of them being wrought, but that they were not accomplished by a conscious act."

"This may seem strange, but it is not so when we see the same thing happening about us. There is a light springing forth from all of us which affects others just as we are affected by the shadows of others."

The Rev. Mr. Aikin said this unconscious influence is universal and is the most important and mightiest force we exert. It is constant, he declared, because no one ever loses all of their influence, no matter how evil it may be. As compared to conscious influence it is far greater, the speaker asserted, because it is constant and unending. The lightest wave of influence set in motion, he said, continues on and on forever; it is immortal and does not end with death.

"I congratulate you" the Rev. Mr. Aikin continued, closing his address, "on the position you possess. You are entering on a new period of life's experiences. You all understand that because of the world war, a higher education is essential. We all appreciate the patriotism which has been displayed by the high school."

The minister said he saw some posters at the high school building advocating higher education, and one from President Wilson advised all high school graduates to continue their education to prepare for the future.

"This is your path of duty," he continued. "Don't be impatient to get into the war in an active way. You are not running away from war when you go to college. Skilled and trained men are needed and it is vain for us to try to win this war unless we utilize every force."

"Whatever you do, I am sure it will be the best for the welfare of this country which we all love. I know you are all planning to do your best."

Charlie Chaplin is appearing at the Gem today in one of his best two-reel productions, "The Pawnshop." Billie Rhodes will also be seen in "Her Friend Brown," and an added attraction will be the "Screen Telegram," a picture of live news events all over the world. Jack Gardner and Helen Ferguson will be seen in "The Gift of Gab," tomorrow.

#### Kitty Gordon at Princess

Kitty Gordon will be seen at the Princess tonight in "The Divine Sacrifice," portraying the wonders of mother love. Tomorrow a big double program will be offered with Vivian Martin in "A Petricot Pilot," and Fatty Arbuckle, the rotund Paramount comedian, in "Fatty in Coney Island." He had the time of his life taking the beach for that release. As the name suggests, the whole picture was filmed at famous Coney Island, New York, and as Mr. Arbuckle expected to leave shortly for the west, the scenes had to be taken during the Mardi Gras week when the place was swarmed with hundreds of thousands of riotous merry-makers.

## PRIVATE MEYERS DESCRIBES ATTACK

Young Marine is in Hospital Following a Gas Assault on Their Trenches by the Boche

### HORRORS OF GAS ATTACK

Being Treated by French Physician in Special Gas Hospital—Unable to Eat For Six Days

"Since writing my last letter which was in the midst of bursting shells and flying bits of shrapnel conditions have changed mightily and instead of continuing my term in the trenches and No Man's Land as I desired to do some of the Boche gas got me which has placed me in a hospital several miles behind the lines in France."

The letter received a short time ago from Clarence Myers who was among the Sammies on the "wounded" list a few weeks ago, is the first direct news received from the young man whose letter intimated the horrors of the gas attack when it is first encountered by soldiers.

"It is worse than being struck by a bullet," declared the young marine. "We had been on duty all night and were just in and fast asleep when the shelling began. It came along with shrapnel and other kinds of high explosives. I hated to get up and didn't until several shells had exploded near, hoping that a few shells would end it. But instead it kept up for more than two hours. In that time gas was everywhere, the most of which we got after taking off our masks, as it hung near the ground."

"Needless to say our 'home' was shattered and about six hours later found me lying in a first aid hospital and later in a French gas hospital where I am still a patient. I didn't eat for six days which is also one of the disadvantages of a gas attack. All of the patients of the same attack are here being treated by a French doctor whose four years work in this line has enabled him to give us the care our own hospitals could not equal."

## SALE OF FRESH EGGS IS BEING RESTRICTED

Dealers Cannot Sell to Other Dealers in Classes Farther Removed From Consumers

### THIS IS LATEST EGG RULING

Local dealers have received restrictions from the federal food department which restricts their sale of eggs in such a manner as not to allow one dealer to sell fresh eggs to any other dealer in a class further removed from the consumer.

Dr. Frank Sparks, food administrator for Rushville, notified the grocers of this latest ruling today. The restricted sale of eggs means that a jobber will not be allowed to sell to a wholesaler nor a retailer to a wholesaler. The law department of the United States food administration rules that a retail merchant in the country who buys eggs from a farmer or takes eggs in trade is not to be considered a retailer of eggs. He occupies the position of an original packer or shipper and may sell to any one he pleases.

## PLUNDERING FLOWER BEDS

Thieves Active and Attention of Police Is Called to Them

With the approach of summer accompanied by the blossoming flowers in numerous flower gardens in Rushville, residents of the city are being annoyed greatly by the plunder which is being done each night by children, stealing the flowers.

The attention of the police authorities has been called to the damage which is being done and they are keeping a sharp lookout for the plunderers. Beautiful beds in the northern part of the city have been ruined and on numerous occasions stripped completely of every vestige of a blossom.
